

PRINT STUDENT NAME _____

**Chippewa Valley High School
Advanced Placement Application Form**

Students and parents are advised to deliberate carefully when enrolling in Advanced Placement courses. If considering more than one AP course, students and parents are strongly advised to consider that these are college-level courses, and they involve a more demanding workload and incorporate a more rigorous curriculum. Students are strongly advised not to take more than 3 AP courses in any one school year.

Students need to research their AP course selections thoroughly as they will not be permitted to drop AP courses due to concerns about demanding workloads.

- Summer preparation is required for **some** AP courses and the work must be completed before the school year begins.
- Some courses require the use of multiple textbooks.
- Students are encouraged to purchase their own textbooks in order to write notes and/or highlight information for personal use and reference.

Before you meet with your counselor to select your courses for next year, you must have the application completed with your parent's signature "before" you can register for these classes for next year.

DEADLINE TO REQUEST AP COURSES IS APRIL 1

Instructions: Place a check mark in the boxes for the AP course you would like to take next school year.

AP Course	Check if requesting	AP Course	Check if requesting
