Changing your Recommended Courses for Sophomore Year (10th Grade)

This form is to request modifications to the courses recommended by the CVHS 10/12 Building Teachers and Administration. The recommendations are made for required course areas using grades, test scores and teacher input.

We strongly feel that with effort, perseverance, and parental support, your student has the potential for success in our programs. We value your input into the process of course selection.

If you feel you have the motivation and skills to be successful in a course that was not on your recommendations, please request a change by circling the course in the column entitled "Honors/Advanced/Accelerated/AP Course(s)".

If you feel your student would be best served in the standard version of the courses, please circle the course(s) in the column entitled "Standard Course".
